The idea for this quick heavy hitting Cash Generating Program came from one of our Charter Members Meeting. We have several successful programs running, but we wanted a fast, hard hitting...bigger bucks quick. We looked at a program that met our criteria, but it wasn't monitored and was open to cheating. We eliminated the ability to cheat and made a few changes in it. We are all retired and seeking to increase our wealth and build additional income by helping others build wealth.

We all have needs and specific needs for Money. A similar program to this ran last year and Mary Ellen ran it three times. The first time she received about \$26,000 and other times right around \$33,000. If this letter continues as it should, **EVERYONE PROFITS**.

The sole purpose of this letter is to Acquire CASH. Just send a Copy of this Letter and \$20 CASH along with a note that states: "Please add my name to your mailing list" to EACH NAME on the list and also send \$10 to the MONITOR. Then a Master Copy with your name at the top of the list will be mailed to you by First Class mail. All you need to do then is make copies and send them out. Mail at least 20 copies within 48 hours to really jumpstart the process. Then consistently mail as many as you can afford each week. By the time the fifth person enrolls behind you...your mailbox will be FLOODED WITH \$20.00 BILLS! Continuous mailings generate continuous INCOME.

This program may not be for everyone since the enrollment is \$20 for each person on the list and \$10 for the MONITOR. However, this is a one time cost on a very successful program and it builds very fast. If you sponsor just 5 people (not hard to do) and they duplicate your efforts and sponsor 5 people each for 5 generations, you will generate over **\$300,000.00 CASH**. This program is monitored to ensure the integrity of the program and your rotation on the list...the official Master Copy will have our CIRCLE LOGO watermark over the names. Anything else has been altered. Do Not send money if the watermark is not "whole". **CHEAT PROOF!**
