Cash in with the Heart-Healthy Mediterranean Diet and help your fellow Americans transition into a better way of eating!

Join our group of members on a mission to share the life changing information in the Heart-Healthy Mediterranean Diet Report. This way of eating may reduce your risk of developing: obesity, diabetes, hypertension, stroke, arthritis, cancer, Alzheimer's, cardiovascular disease and many other illnesses that plague the American people that currently eat the Western diet (sugary junk foods, refined carbohydrates, industrial-processed food, salty snacks, fast-food restaurants, processed meats and prepared convenience foods.)

Here's How To Join: Send a copy of this flyer and \$3.00 cash to each person on the right. One of the members will send you a master copy of this flyer with your name in the top position, a copy of the 6 page Heart-Healthy Mediterranean Diet Report and 120 mail order buyers names. Add this flyer to your outgoing mail and soon your name could be on thousands of flyers bringing you a steady flow of cash. The new members joining are also the best names to mail your other offers to.
