**WE ARE LEGAL PASSENGER CARRIER**

**“SECURITY ON BOARD”**

It really won't be hard for us to pick-up new passengers as we trudge across the fruited plains of America. We have people on board who need what you need, **Cash & Stamps** for personal or business use. When you hang around people like that, their success simply rubs off on YOU. The Old Philosophy is: “If you want to succeed, hang around with those who attract success.” And we have on board those with experience who can smell where the Cash & Stamps are. Get friendly with them. Ask them how they influence new riders to Hop Aboard. Their know-how is making you more abundant with Cash & Stamps. Now it's time for you to HOP ABOARD and smell the sweet odor of success, and you can do that by helping your fellow passengers and yourself to speak of the **Cash & Stamps Express**. It won't cost you an Arm and a Leg to share a ride with us. Your cost to take a trip is based on how soon we can discover your interest to take a trip.

**To Get Onboard the Cash & Stamps Express** Your Passenger Fee to share GREAT company is printed next to each Passenger. They also want a Copy of this Passenger List. For the remainder of our trip across America the Conductor is: **R&D, 17347 Sprenger, Eastpointe, MI 48021**, who is not a passenger. SO, to get on board, you have to purchase a Ticket from the Conductor for a **\$3 Cash + this Passenger list**. The Conductor will place you in Car #1 which is the **Wonder Car**. For the rest of the trip you'll be wondering what will be your reward for the whole trip. Our simple answer is to **TAKE A TRIP WITH US NOW**, or ask the passengers in Car #6 or #7: **“How Was Your Dream Trip?”**

Our passengers are friendly, but if you want to share their company you will have to reimburse them for their companionship. It will cost you what they ask below. The last passenger in Car #7 has been on this trip for a little while and has been loaded with Patience, so to get **him / her** off this Express that passenger wants \$10.00 Cash for their patience, and of course a copy of the current Passenger List as a memory who was their fellow passengers. When you are in the last Car, the Conductor will give you 60 Mail Order names on P&S Labels. If you want to take another trip, contact the Conductor with a fee of \$3.00 Cash, who will place you again in Car #1 as the **ONLY PASSENGER** Onboard. If you are a **Brand New Rider** you will get a copy of: **“How To Start Your Own LEGAL Home Mail Order Business”**. Read this Report while traveling. **With these 2 Bonuses, ‘We are a Legal Passenger Carrier’**. **TAKE A TRIP WITH US!**
