

SONS OF LIBERTY

Brought to you by THG Funding of Western New York

The Sons of Liberty was an organization that was created in the Thirteen American Colonies. The secret society was formed to protect the rights of the colonists and to fight taxation by the British government. They played a major role in most colonies in battling the Stamp Act in 1765. The group officially disbanded after the Stamp Act was repealed. However, the name was applied to other local separatist groups during the years

preceding the American Revolution. In the popular imagination, the Sons of Liberty was a formal underground organization with recognized members and leaders. More likely, the name was an underground term for any men resisting new Crown taxes and laws. They were even given credit for the Boston Tea Party. Their motto became "No taxation without representation."
THIS IS WHAT WE DO – NOW YOU KNOW WHY WE DO IT!

At THG Funding we like to think of our members as "Sons and Daughters" of Liberty. The United States is one of the highest, if not the highest, country taxing the income of its citizens. We are taxed at a Federal level, State level and many times a municipal level. We have Social Security Tax and we have sales tax...and many other taxes (property, inheritance, etc.). Our income producing programs are Tax Free and we deal in CASH ONLY for everyone's privacy. Large sums of money can be made quietly, discreetly, and honestly from the comfort of our homes. Follow the instructions below and reap the benefits by just going to your mailbox.

There are 4 boxes below with different dollar amounts assigned to them. All you do is choose the box that you want to own. You may buy 1 box...no more than 2 boxes. **Send that Dollar amount(s) to the person in the box(s) you choose to own.** Then send a filled-out copy of this flyer with your name and address **to the Monitor with \$20 enclosed for the Monitor.** The Monitor will set up your account, prepare a Master Mailer for you with your name in the box(s) that you selected and manage the program. Then all you do is mail your Master to as many people as you can each day/week/month. When someone enrolls from your Mailing...if they choose one of your box(s) they will send to you the value of the box they selected. If they choose one that is not yours...this may even turn out to be better...for every flyer they mail will have your name on it. You could have 100's, maybe 1,000's of flyers being mailed by other people with your name on their flyers.
