

CASH IN YOUR HANDS

Receive Thousands of Dollars!!

All Paid In Cash! Guaranteed!

Dear Future Friend,

Are you ready to finally succeed at making money, using a system that anyone could do and if you're tired of trying programs that promise you a lot but deliver little, then this is the last program you'll ever need. Honestly, you will have **SUCCESS** with this one. How would you like to receive cash money in your hands. Yes, Cash! Not checks or money orders, then read on. This is a gift giving system, everyone helps by sending a \$200 cash gift to each participant in the program and because this program has only 2 positions it moves very quickly, Immediate results will be seen. There are no monthly payments to anyone ever!! There's only a one - time CASH payment of \$600. Our goal is people helping people.

Imagine receiving dozens of FedEx envelopes each containing \$200 in CASH! From your efforts. Not only that but you will ALSO receive \$200 from the efforts of the people that have joined through your efforts. Just imagine, if 10 people join in the first week, you would receive \$2,000 from your efforts. Now lets suppose these people each do a mailing and get 10 people each to join, that would be 100 people from which you would reap \$200 each! That's an additional \$20,000 from other peoples efforts! And its ALL in CASH...

When you join, you will send in a total payment of \$600. This payment goes directly to us first, so that we can verify who actually sent the money before they're allowed to participate. After you sent \$600 you DO NOT send in any money ever! Now follow closely as we explain where your money goes. The Monitor will send \$200 to the person in pos 1 and \$200 to the person in pos 2 and as members join, you'll move down to pos 2 and receive another \$200 cash gift as well by FedEx. The remaining \$200 covers the monitors gift, monitoring the program and the ongoing cost it takes to ship each cash payment by FedEx. So as you can see, this has a great potential of earning you thousands of dollars in CASH, guaranteed. \$50,000 to \$100,000 plus earnings are actually realistic for those who want it! I know some people will wonder if the monitor will keep all the money and not send the payments to the rightful recipients. First it wouldn't make sense to do that. I would be cheating myself and the other people that joined, plus causing the program to fail. I want this program to be a **SUCCESS!** Secondly you have the names, address and phone numbers of the people you gifted too. So, as you can see, there is **NO CHEATING HERE.** Everyone will receive their CASH! **GUARANTEED!**

HERE'S HOW YOU JOIN!
