

# SAVE 50%-70% ON NAME BRAND KIDSWEAR!

Prices Slashed in **HALF** on Our Entire Stock

**NOW!** Through this Exclusive offer, you'll get unmatched savings on children's clothes - everything from basic to casual can be yours at a fraction of regular retail.

Many outfits are priced so low, manufacturers won't allow us to list them in this circular. We dug deep to uncover financially distressed manufacturers and distributors who agreed to sell us the overstocks for "pennies on the wholesale dollar." Many of these companies are bankrupt or going out of business.

**Whatever your children's needs are, we can match them.**

We have a wide selection of kidswear that are the rage of boys and girls of all ages. Top quality name brand children's apparel you'll recognize instantly. Only instead of paying regular retail, **you can purchase them at prices that are more than 50% below store prices.**

We're sure you want your kids looking their very best. Shop with us and they'll be beaming with pride wearing the hottest styles in town. It will enhance their self-image and popularity with other kids. And you'll save more than half on what you're currently paying for the same brands and styles.

**Lowest Prices Guaranteed!**

Why settle for lesser quality because they're cheap when you can get the very best at similar or even lower prices? Now you can afford to dress your children in America's favorite kidswear without breaking your budget.

**You'll never find bargains like this anywhere else.**

But they won't last. We've been getting an "avalanche of hits" on our website and voluminous requests for our catalogs. **HURRY...** to avoid losing out.
