ONLY \$25 TO JOIN. NEVER A CENT MORE. WE WILL THEN PLACE TWO OTHERS ON YOUR FIRST LEVEL. THEN, WE PLACE TWO ON THEIR FIRST LEVELS, AND ON AND ON AND ON. We build your down line and we force you to earn. Once you are paid member, you will start in box number one. We then proceed to place two new members in box number one for you, forcing your name to box number two. Each time we start a group with new members, names will advance. Finally, when your name reaches box number nine, you get paid. And we really mean paid, not nickels and dimes, but **BIG dollars, \$10 dollars for each person now in your group!**

See the example on the right for an earnings illustration. With only two people on each level, and us doing all the work, you would earn **\$5120!** If you, and everyone else, added just one extra member to their first level, see the example of the earnings at the right for three members. Then look at four members. And don't even try to calculate five members. You won't believe it. You can promote and add members to make as much as you want. When you join, you will receive a personalize flyer with your ID number on it, ready to copy and mail with whatever else you are promoting. Since no one has to sponsor anyone, or do any work to qualify, you'll get plenty of eager members to boost your first level. *(But if you don't want to promote, that's alright too. The choice is yours. Every time you place a new member in your group, you will receive that person's name and address so you will always know where you stand.)*

And The Fund & Games Network is no slouch. Each new member receives a nice "gift" with a value of several times the price you pay to join. So we are for real!

DON'T WAIT A MINUTE LONGER. SEND YOUR ONE TIME ONLY MEMBERSHIP FEE OF \$25 IN CASH AND SEE HOW EASY EARNING CAN BE. LET US START WORK FOR YOU IMMEDIATELY!

Print your name and address in the box above and return this entire page with your payment.

Please send cash only, and mail to.....

DO NOTHING, GET PAID, DO A LITTLE, GET PAID MORE. OR DO A LOT AND EARN A LOT! It doesn't get any easier than this. There is no matrix, but instead it's a single line down where those who join after you, go under you!

Note each person is responsible for their own taxes. No time limit to earn can be guaranteed, since the success of the program is dependent upon individual responses. But we will not stop until we have two members on your first level regardless of how long it takes. A real product of value will be sent to each paying member. Void where prohibited. No refunds, since \$10 of your fee is used for a pay out and the other \$15 is used for promotion, stamps, printing, mailing list, etc.

As you can see, each additional member can mean thousands of extra dollars to your bottom line. If you added just one member on your first level and no one else did anything,, that one extra person would pay an extra \$2,500!
