And this will not interfere with any program you may be promoting. **This is one of those opportunities that only comes to us once or twice in our lifetime!** We all have heard about this all our lives...where someone bought or invested in something for pennies and made a fortune overnight. I always think..why don't I ever hear about these things? **Well right now you are hearing about one of those offers** Please read on, I think you will get excited as I did.

As the USA currency is called "Dollars" the Iraq currency is called "Dinars" and you have in your hands that once in a life time chance to make your fortune. The "New" Iraqi currency was reprinted in October 2003. All the old Dinars with Saddam Husseins picture on them were destroyed and replaced with the New Iraqi Dinars.

As we speak, the Iraqi Dinar is at it's all time low at only pennies per Dinar. In the early 2000's one Dinar was worth \$3.25. Currency traders and investors know **the Iraqi Dinars will rise to the \$3.25 area and above very soon!** **The time to accumulate some of these New Iraqi Dinars is "NOW" while it is at it's low and before it rises to previous levels and beyond** as History Repeats Itself. Postwar Kuwait just a few years back is an example. The Kuwait Dinar was valued at about 6¢ just after the war began. Soon after, the Kuwait Dinars jumped back to \$3.40. President George Bush, Sr. and his buddies made fortunes overnight. ***If the Iraq Dinars*** rises just a few cents, investors can start paying off mortgages..**"Stars & Stripes - Mideast Edition**
