

Earn Gold - Free ?

In 1971, 1 dollar bought about 4 loaves of bread.
1 gram of gold bought about 4 loaves of bread.

Today 1 dollar buys about half a loaf of bread.
1 gram of gold buys more than 20 loaves of bread.

Aren't you glad gold is "real money" again.

- Only a few select gold companies in the world are licensed to stamp their gold bullion as 999.9 pure.
- Even fewer are certified as "gold money" by the LBMA (London Bullion Market Association), the world's gold purity authority.
- Only one company offers "spendable gold bullion" with a hologram on the back guaranteeing it's purity in over 60 countries with global expansion to 194 by the end of 2012.
- Only one gold company in the world owns it's own gold mines, gold refinery, minting facility, and distribution system.
- Only one gold company offers an affiliate rewards program.
- Only **KB Group and Karatbars International** is all of the above.
